Objective For clients' feeling the year end pressure

Subject line options

- a. Keep your business moving this end of year
- b. Fast funding to help you through the busy season
- c. Ease the pressure with a quick funding boost

Hi {{INSERT NAME}},

As the year wraps up, it can feel like everything hits at once – customer demand, staff leave, supplier costs, or slower payments. Whether business is ramping up or winding down, it's a lot to juggle.

I can help you take one worry off your list with flexible business funding options through Prospa, with applications that take minutes and funding possible in just 24 hours.

You could use the funds to:

- Stock up on inventory ahead of holiday demand
- Cover wages or operating expenses during the break
- Start the new year with cash flow confidence

If your business has been trading for at least 6+ months and turning over \$6K+ monthly, we can look at funding options from starting from \$5K to suit your needs.

Let's chat about what might work best for you.

Hi {{INSERT NAME}},

For many small businesses, the end of the year brings a drop in cash flow, with slower payments, quieter trading, and staff leave all adding up.

That's where flexible funding can help. Through Prospa, I can support you with:

- **A Business Line of Credit** – access up to \$500K that you can use and reuse as needed, paying interest only on what you use.
- **A Small Business Loan** – from \$5K to \$500K, perfect for covering one-off costs or preparing for early 2026 growth.

The application process is simple, and funds can be available within 24 hours once approved.

Let's make sure your business stays steady through the season and ready for the new year.

Objective For last minute urgency

Subject line options

- a. Still time to secure funding before year's end
- b. Need funds before the holidays? Act fast.
- c. Finish 2024 strong with fast business funding

Hi {{INSERT NAME}},

If you've been meaning to sort out funding before the year wraps up, there's still time.

I can help you access business funding through Prospa, with approvals possible in hours and funds available in as little as one business day.

Whether it's to cover staff bonuses, restock inventory, or set yourself up for a strong start to 2025, now's a great time to get it sorted.

You'll just need:

- 6+ months trading history (for most industries)
- \$6K+ monthly turnover
- An active ABN and valid driver's licence
- A good credit history

If you'd like to get moving before the holidays hit, get in touch today.
